

WELCOME!

Welcome to Tony Locos. My wife Rosa is from Puerto Rico and my parents moved here from Italy many years ago. Our food is based on simple, rustic fare that has been in our families for a very long time. We are committed to offering the Lisbon, Woodbine and surrounding communities a casual and fun experience – a place to hang out with family and friends, to enjoy great food and drinks. If you want to share your experience with me, feel free to email me at tony@tonylocos.com. Hope you enjoy your time here! ~Tony
